## IntraCare's *Circle of Friends*

IntraCare's **Circle of Friends** is dedicated to the memory of Alice Hiniker, PhD and provides a way for donors to contribute financial or in-kind gifts to IntraCare Behavioral Health. Dr. Hiniker, with her husband Timothy Sharma, MD, founded what are now IntraCare Medical Center Hospital and IntraCare North Hospital in 1988.

In keeping with Dr. Hiniker's passion that our patients are well cared for in a pleasant surrounding, gifts will be dedicated to:

- Providing clothing to patients in need.
- Recreational activities for patients, e.g., children's toys, gym equipment.
- Maintenance and/or renovation of the hospitals.
- Program specific support.
- Other purposes as identified and approved by the Board of Directors.
